

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

Samuel Lopez,

Plaintiff,

vs.

43 Orchard Realty LLC and  
No More Cafe NY, LTD.,

Defendants.

**COMPLAINT**

Plaintiff, SAMUEL LOPEZ (“Plaintiff”), by his undersigned counsel, hereby files this Complaint and sues Defendants, 43 ORCHARD REALTY LLC and NO MORE CAFE NY, LTD. (“Defendants”), for injunctive relief pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181, *et seq.*, (hereinafter, the “ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (hereinafter, the “ADAAG”).

**JURISDICTION**

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C., §§1331 and 1333 for Plaintiff’s claims arising under 42 U.S.C. § 12181. *et seq.*, based upon Defendant’s violations of Title III of the ADA (*see also*, 28 U.S.C. §§ 2201 and 2202).

2. Plaintiff currently resides in Brooklyn, New York, and is *sui juris*. Plaintiff is a paraplegic, bound to ambulate in a wheelchair, and a qualified individual with disabilities under the ADA. Plaintiff lives an active social life, dines out socially at multiple times each week, has friends and family throughout the five boroughs, and often opts to dine out instead of preparing a meal at home—especially since he likes trying new restaurants and enjoying the different foods and cultures throughout the New York City metropolitan area.

3. Defendant, 43 ORCHARD REALTY LLC, is domestic limited liability company that transacts business in the State of New York and within this judicial district. Defendant, 43 ORCHARD REALTY LLC, is the owner of the real property which is the subject of this action located at 352 E 13th Street, New York, NY 10003 (hereinafter, the “Subject Property” or “Facility”).

4. Defendant, NO MORE CAFE NY, LTD., is a domestic business corporation that transacts business in the State of New York and within this judicial district. Defendant, NO MORE CAFE NY, LTD., is the lessee and owner/operator of the business known as NO MORE CAFE, located at the Subject Property located at 352 E 13th Street, New York, NY 10003.

5. Plaintiff has visited the Subject Property which forms the basis of this lawsuit around the middle of October, 2024, and again on December 17, 2024. On these occasions, the Plaintiff’s ability to ambulate through the entrance of the Subject Property was constrained, hindered, and thwarted by the structural barriers, to wit; a steep concrete step directly interceding between the sidewalk and entrance door of the restaurant, and that which was impassible for wheeled ambulation. More specifically, for purposes of this suit, the concrete step was unnavigable for Plaintiff’s wheelchair during his multiple visits, and after coming upon this architectural barrier, he realized it was not safely traversable and thus prevented him from accessing the public services therein.

6. The Plaintiff plans to return to the Subject Property to avail himself of the goods and services offered to the public at the Subject Property in the coming months, and thereby determine whether the Subject Property is ADA compliant or if the Defendant’s discriminatory policy of wanton indifference to Plaintiff’s civil rights continues to be promulgated by the these Defendants. Plaintiff’s access to the Facility and/or full and equal enjoyment of the goods,

services, facilities, privileges, advantages, and/or accommodations offered therein is being denied and/or limited because of these disabilities, and Plaintiff will be denied and/or limited in the future unless and until Defendants are compelled to desist their policy of wilful indifference and remove the physical barriers to access and ADA violations which exist within the Facility, including but not limited to inaccessible entrance, dining tables, the bar, and even restrooms.<sup>1</sup>

7. Plaintiff lives only several miles from the Defendants' Facility, passes by the Defendants' Facility at least once per week when he is doing errands, visiting family and friends throughout the borough, and looking to drink and eat out. Moreover, the Defendants' Facility is in a neighborhood that Plaintiff dines out two to three times per month. Foremost, Plaintiff has partaken at, and in, nearly all of the neighboring restaurants surrounding the subject facility that are all without obstructions about twice per month, including but not limited to the Hampton's Food Market, Dunkin' Donuts, Starbucks, and Manhattan Marketplace amongst many others; and thereon affirms that he would eat at the Defendant's restaurant and avail himself of the goods and services offered to the public, were it not for the structural barriers inhibiting his ability to enter the subject facility, in direct contravention of Title III of the ADA and provisions under the ADAAG.

8. The Defendants' Facility is a public accommodation and service establishment, and although required by law to do so, it is not in compliance with the ADA and ADAAG. Plaintiff has visited the Subject Property which forms the basis of this lawsuit and plans to return in the coming months to the Subject Property to avail himself of the goods and services offered to the public at the Subject Property, and to determine whether the Subject Property has been made ADA compliant. Plaintiff's access to the Facility and/or full and equal enjoyment of the

goods, services, facilities, privileges, advantages, and/or accommodations offered therein was denied and/or limited because of these disabilities, and Plaintiff will be denied and/or limited in the future unless and until Defendants are compelled to remove the physical barriers to access and ADA violations which exist at the Facility, including but not limited, to those set forth in this Complaint.

**9.** Plaintiff has suffered and continues to suffer direct and indirect injury as a result of the ADA violations that exist at the Facility. In this instance, Plaintiff visited the Facility multiple times wherein he encountered substantial barriers to access at the Facility, attempted to engage said barriers, and suffered legal harm and injury, and will continue to suffer legal harm and injury as a result of the illegal barriers that continue to deny access to all similarly situated persons under this protect class, as set forth herein.

**10.** Plaintiff visited the Facility and encountered barriers to access at the Facility no less than two times, specifically on or about the second or third week of October, 2024, and again on December 17, 2024, engaged the barrier when attempting to approach the entrance door, wherein Plaintiff encountered an architectural barrier step, wherein the wheelchair could not safely traverse, and thus caused Plaintiff to turn back and suffer legal harm and injury thereafter. There was no apparent mechanism for assistance, or other means for traversing said architectural barriers. Plaintiff will continue to suffer legal harm and injury as a result of the illegal barriers to access as set forth in greater detail herein. The Plaintiff will continue to dine out in the neighborhood of the Defendants' subject property; specifically plans to visit this subject property this summer and autumn with family and friends for nights out, and holidays and events; and will thereon continue to attempt to access the services and facilities at said premises which have been deprived at all times material.

**11.** All events giving rise to this lawsuit occurred in the State of New York. Venue is proper in this Court as the Subject Property is located in the Southern District.

#### **FACTUAL ALLEGATIONS AND CLAIM**

**12.** On or about October 2024, and again on December 17, 2024, Plaintiff attempted to access the Facility, but could not do so without severe hardship, because of his disabilities, and the physical barriers to access and ADA violations that exist at the Facility, which restrict and/or limit his access to the goods and services offered at the Facility. The ADA violations are more specifically set forth in this Complaint.

**13.** New York State Human Rights Law provides: (a) “It shall be an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent or employee of any place of public accommodation.... because of the ... disability ... of any person, directly or indirectly, to refuse, withhold from or deny to such person any of the accommodations, advantages, facilities or privileges thereof ... to the effect that any of the accommodations, advantages, facilities and privileges of any such place shall be refused, withheld from or denied to any person on account of ... disability ... NYS Exec. Law § 296 (2)(a).”

**14.** Plaintiff travels through this neighborhood regularly, has partaken of the services offered in nearly all the surrounding public accommodations, and thereon intends to visit the Facility again in the near future in order to utilize all of the goods and services offered therein but will be unable to do so because of the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility that restrict and/or limit his access to the Facility, including those barriers conditions and ADA violations more specifically set forth in this Complaint.

**15.** Defendants have discriminated against Plaintiff and others with disabilities by denying access to, and full and equal enjoyment of the goods and services of the Facility, as prohibited by 42 U.S.C., § 12182, *et. seq.*, and by failing to remove architectural barriers as required by 42 U.S.C., § 12182(b)(2)(A)(iv), and will continue to discriminate against Plaintiff and others with disabilities unless and until Defendants are compelled to remove all physical barriers that exist at the Facility, including those specifically set forth herein, and make the Facility accessible to and usable by persons with disabilities, including Plaintiff.

**16.** Defendants have discriminated against Plaintiff by failing to comply with the above requirements.
